PROFESSIONAL EXPERIENCE

Career Break – GTM (Go-To-Market) Engineering & AI Automation Specialization *June 2026 - July 2026*

Self-Directed Learning & AI Marketing Automation Project

- Undertook a focused career break to master **GTM (Go-To-Market) Engineering**, designing and deploying self-created **AI agents** powered by **Claude, GPT, Gemini, GLM 5.2**, and other leading LLMs to automate marketing and sales outreach, market research, and lead qualification workflows.
- Engineered an automated content pipeline for **AI-assisted** blog writing and website publishing, applying **SEO, AEO, GEO, GSO**, and **AIO** optimization frameworks aligned with **EEAT** (Experience, Expertise, Authoritativeness, Trustworthiness) principles to maximize discoverability across traditional and AI-driven search engines.
- Built an **AI-generated** creative and content automation system for social media, streamlining design-to-publish workflows and increasing content output velocity across multiple channels.
- Automated cold-calling sales outreach using an **ElevenLabs** AI calling agent integrated with multiple **GPT/LLM** models, enabling scalable, always-on **sales automation** and improved lead engagement efficiency.

Head of Digital Marketing & Branding - *Feb 2026 - May 2026*

PolyMint (Newco Polymer Intel Pvt Ltd) | Freelance / Contract

- Led multi-channel **performance marketing** campaigns across LinkedIn, **Meta Ads**, **Google Ads**, Email, and WhatsApp, generating **7.4M+** impressions, **48K+** clicks, and **2,700+** qualified leads through targeted B2B **lead generation** strategy.
- Managed a cross-functional team of **12** across Sales, Marketing, Design, and Development, aligning **SEO, content marketing**, and paid media execution with business growth goals.

- Increased social media traffic by **25%** and audience engagement by **80%** by applying social media algorithm insights, strategic **content marketing**, and audience-targeted paid promotions.
- Built **AI-powered marketing automation** and **AI agent** workflows for email, WhatsApp, and AI calling, increasing **lead generation** performance by **40%**.
- Executed international event marketing campaigns across Asian markets, generating **200+** delegate registrations, **50+** speakers, and **100+** award nominations.
- Delivered **600K+** WhatsApp messages and **2.08M+** promotional emails, optimizing outreach costs and improving **ROI** through data-driven **performance marketing**.

Marketing Lead - June 2025 - Jan 2026

Data-Hat AI (DataDon LLC), Silicon Valley, California, USA | Freelance / Contract

- Built and maintained the Data-Hat AI website (technical setup, CMS updates, on-page and **technical SEO** fixes) to support product launches and **lead generation**.
- Executed advanced **SEO** strategy (**Technical SEO, GEO, GSO, AIO**), ranking **200+** keywords on page one via targeted **keyword research** and boosting visibility across **600+** keywords, including LLM/**GPT** search results in the US, UK, and UAE.
- Increased monthly organic traffic by **43%** and social engagement by **22%** using **GA4** and **GSC** insights to guide on-page and **off-page SEO** and **content marketing** decisions.
- Managed high-performing **Google Ads** and **Meta Ads** campaigns (**48% CTR**, **<\$0.10 CTC**, **\$70 CPL**), delivering **10+** qualified leads on limited budgets through **performance marketing** optimization.
- Organized and promoted **6+** webinars for international audiences, achieving **20+** attendees per session through organic outreach; built an enterprise **lead generation** pipeline via LinkedIn, connecting with **5+** decision-makers.

Search Engine Optimization Specialist - July 2024 - June 2025

Flynaut Infotech Private Limited, Pune (Charlotte, USA)

- Drove organic growth and online visibility for **10** US-based clients through comprehensive **On-Page, Off-Page, and Technical SEO** strategies, consistently securing **5-9** first-page SERP rankings for high-value keywords via targeted **keyword research** and **backlink building**.
- Accelerated website new-visitor growth by **37%** monthly through **technical SEO** and on-page optimization, boosting conversion rates by **3%** with targeted **content marketing** initiatives.
- Maximized **lead generation** managing **\$800** monthly **Google Ads** campaigns, driving a **20%** weekly increase in signups, **22%** weekly traffic growth, and a **12%** weekly lead conversion rate.
- Delivered in-depth monthly **SEO** performance reports using **GA4** and **Google Search Console (GSC)** data, providing actionable insights from market and competitor analysis.

Digital Marketing Manager - June 2023 - August 2024

Kubera Communications, Pune, India

- Managed digital campaigns for **5+** clients across **SEO, social media marketing, lead generation**, and website management, increasing website traffic by **22%** through optimized landing pages and content strategy.
- Achieved first-page Google rankings for **15+** keywords through **keyword research** and **on-page SEO**, while increasing social media reach by **50%** and engagement by **12%** via audience-targeted campaigns and social media algorithm strategy.
